
ABOUT OUR DAY CAMP

CAMPER GROUPS

Your child's individual needs and safety are a priority to us. Our groups are small to ensure lots of individual attention. Each camper's skills are evaluated on the first day of camp and they are placed into lesson groups based on similar levels of experience and confidence.

Absolute beginners are welcome!

STAFF

We pride ourselves in the quality of our staff. Every counselor is selected for their experience and suitability as both a riding instructor and role model for our young campers. Each brings their own special sense of fun and creativity to share with their campers.

HORSES AND PONIES

We are a year round private riding facility. Our horses and ponies are stabled here throughout the year. You can be confident knowing campers are riding patient, gentle professional "School Horse Masters" who enjoy their jobs. Every camper will find a special horse or pony they can love and learn from!

HORSE ACTIVITIES

We offer a fun-filled and instructional program combining a variety of activities designed to delight any young horse enthusiast. Every day includes riding lessons, mounted games, horsemanship, horse care, barn chores and the always-popular horse crafts.

TYPICAL CAMP DAY

- Each day upon arrival, our campers will be assigned their "own" horse or pony, with who they will make a connection and create many cherished memories.
- Campers will learn about horsemanship, confident horse care and safety practices. With a counselor, they'll learn to brush, lead, halter, saddle, feed and clean up after their mounts. Through this interaction, our campers learn the joy and responsibility that come with caring for their horse.
- Each day our campers will participate in a 60-minute riding lesson. Campers will be taught the fundamentals of English riding and how to handle their horse or pony with confidence. The delight in their accomplishments grows each day.
- Each afternoon, campers relax together and enjoy arts and crafts projects related to horses and horsemanship. This is a wonderful opportunity to wind down the day, make friends and create a treasure to bring home!
